

**BOB SKENE**

Tall and dark, what more could you ask?
 What he'll do if he can pass
 He hasn't yet decided,
 But he'll know after his time is bided.

VERN TOEWS

He distinguishes himself in sports,
 And he drifts in and out;
 In he comes, out he goes,
 Where he is going nobody knows.

MRS. HEWLETT

To have her we are very proud;
 She isn't quiet, she isn't loud;
 We'll liked by all she happens to meet,
 Ask 4A — she can't be beat!

ARNO HENNIG

A minister is coming up,
 He'll have an overflowing cup;
 He come to us from across the ocean,
 And set our class into motion.

CHARLIE FRANK

A nicer guy couldn't be found,
 Just ask anyone around,
 He'll spend his days down on the farm,
 For him this future holds much charm.

ELLA KAKO

After Xmas she came to our class,
 Ella is a comely lass;
 To Teachers College she doth aspire,
 Everyone her will want to hire.

JOE HOMPOTH

This lad came to us from Cupar;
 He thinks Nutana is really super;
 At U. of S. he'll take agriculture,
 And will be a better farmer by far.

JEANNE SLIND

Fair of face and full of face
 Her gamin looks give the boys a chase;
 Jeanne is well-liked you see,
 We're sure a gentle nurse she'll be.

SUSAN SOROKOWSKY

Brains and beauty go hand in hand;
 Some lucky guy she will land;
 Her plans include Varsity,
 Where she'll be taking Pharmacy.

OREST ZAVEDIUK

"Zero" Zav, our football star,
 Will build hotels near and far,
 He plans to own a chain of pubs,
 For engineers and rub-a-dubs!

VERA MEADOWS

Behold a quiet member of 4C,
 Nice, and cute as she can be.
 Along the nursing path she'll go,
 And her progress won't be slow.

RON BUZINSKI

He and Beaub are quite a pair,
 They cause the teachers much despair;
 We'll see him little as he'll be off
 To Varsity to become a Prof.

GERRY EVANISHEN

In Meadow Lake this lad did dwell
 But he now thinks that Nutana is swell;
 Although future plans he hasn't made,
 We know he'll surely make the grade.

MARG. MORTON

Cheerful and happy — that's our Marg.
 To find a nicer girl would be hard
 The call for teachers she is heeding,
 Her pupils never will be caught sleeping.

MARK SMITH

A hockey player in our midst,
 This guy is really full of tricks;
 To college in old U.S.A.
 Where he'll have a real hey-day.

EUGENIA REMENDA

Small and fair, a happy lass,
 Popular with all the class,
 To Teachers College she will go,
 To be a smart girl "in the know".

DUANE MASECAR

Sports minded and industrious,
 That's our boy Duane
 With the guitar he has talent,
 And will surely rise to fame.

WILMA THOMPSON

Third "man" for our curling team,
 This girl's really on the beam;
 A cheery nurse she will be,
 A happy sight for all to see.
